

Donna Grindle

Speaker Biography & Qualifications

Who the Heck is Donna?

Donna Grindle has been in the healthcare IT field for 30 years. After spending her early years in software development, she progressed through various departments, management, and executive positions throughout the 1990s. Donna opened her own consulting firm in 1998 specializing in consulting and technology support for a variety of businesses in the medical industry. As Founder and President of Kardon Compliance, Donna's extensive experience is focused on developing and maintaining effective privacy and security programs for all kinds of businesses. You can hear Donna's weekly podcast, Help Me With HIPAA, on your favorite podcasting platforms and apps.

30 years in Healthcare IT, Programmer, Tech nerd, Teacher, Podcaster, Blogger, Speaker, and Consultant at your service!

Un-Compelling Topics...

Donna Grindle is a featured speaker at conferences, forums, organization meetings, webinars, and more. She can be heard speaking on topics ranging from general business cybersecurity to complex HIPAA topics for Compliance Officers.

Donna's presentation style is different than a speaker you usually hear on topics like HIPAA and cybersecurity programs.

In A Compelling Way...

"This is the first time a HIPAA class made me really think about HIPAA differently." -HFMA East Alabama Attendee

"Donna's presentation was both engaging and educational. She created an interactive platform to discuss and highlight the current climate of data breaches and cyber attacks within healthcare. Her presentation was phenomenal!" -MGMA Webinar Attendee

"The presenter was the most fun person in regards to HIPAA that I have ever seen. She is a trip. Love the southern expressions." -MGMA Webinar Attendee

"Donna is great presenter. Very lively, funny, and informative. I only wish she had more time." -North Georgia AAPC Attendee

Speaking & Training Engagements List

- Content developer and speaker for Kardon Compliance webinars, video training series, and other live training events

- Co-host and content developer for a weekly podcast: Help Me With HIPAA
